

(Custom configurations upon request)

DWDM LGX Modules, 200 GHz, Single Fiber De-multiplexer Only

Part Number	Description	Wavelengths	Channels	Connectors
FAM-1250	Passive DWDM, demux LGX module single fiber, upgrade port, monitor port, protocol independent.		2	FC/APC connectors
FAM-1260	Passive DWDM, demux LGX module single fiber, upgrade port, monitor port, protocol independent.	8	8	LC connectors
FAM-1280	Passive DWDM, demux LGX module single fiber, upgrade port, monitor port, protocol independent.	16	16	LC connectors

DWDM LGX Modules, 200 GHz, Single Fiber Multiplexer Only

Part Number	Description	Wavelengths	Channels	Connectors
FAM-1290	Passive DWDM, mux LGX module single fiber, upgrade port, monitor port, protocol independent.		2	FC/APC connectors
FAM-1300	Passive DWDM, mux LGX module single fiber, upgrade port, monitor port, protocol independent.	8	8	LC connectors
FAM-1320	Passive DWDM, mux LGX module single fiber, upgrade port, monitor port, protocol independent.	16	16	LC connectors

DWDM LGX Modules, 200 GHz, Single Fiber Mux/Demux

Part Number	Description	Wavelengths	Channels	Connectors
FAM-1340	Passive DWDM, mux/demux LGX module single fiber, upgrade port, monitor port, protocol independent.	8	4	LC connectors

DWDM LGX Modules, 200 GHz, Two Fibers Mux/Demux

Part Number	Description	Wavelengths	Channels	Connectors
FAM-1360	Passive DWDM, mux/demux LGX module two fibers, upgrade port, monitor port, protocol independent.	8	8	LC connectors

DWDM LGX Modules, 100 GHz, Single Fiber, De-multiplexer only

Part Number	Description	Wavelengths	Channels	Connectors
FAM-1380	Passive DWDM, demux LGX module, single fiber, upgrade port, monitor port, protocol independent.	8	8	LC connectors
FAM-1400	Passive DWDM, demux LGX module, single fiber, upgrade port, monitor port, protocol independent.	16	16	LC connectors

DWDM LGX Modules, 100 GHz, Single Fiber, Multiplexer only

Part Number	Description	Wavelengths	Channels	Connectors
FAM-1420	Passive DWDM, mux LGX module, single fiber, upgrade port, monitor port, protocol independent.	8	8	LC connectors
FAM-1440	Passive DWDM, mux LGX module, single fiber, upgrade port, monitor port, protocol independent.	16	16	LC connectors

DWDM LGX Modules, 100 GHz, Single Fiber, Mux/Demux

Part Number	Description	Wavelengths	Channels	Connectors
FAM-1460	Passive DWDM, mux/demux LGX module, single fiber, upgrade port, monitor port, protocol independent.	8	4	LC connectors

DWDM LGX Modules, 100 GHz, Two Fiber, Mux/Demux

Part Number	Description	Wavelengths	Channels	Connectors
FAM-1480	Passive DWDM, mux/demux LGX module two fibers, upgrade port, monitor port, protocol independent.	8	8	LC connectors
